United States District Court
156 Federal Street
Portland, ME 04101

RE: Vladek Filler v. Linda Gleason
Docket No.: 1:15-cv-48

Dear. Judge Rich,

I am writing to alert the Court to the fact that one defaulted Defendant remains in this matter, Linda Gleason. While the Plaintiff has settled his claims with regard to all other defendants, he does intend to pursue a default judgement against Defendant Gleason and is currently exploring avenues to set this up pursuant to F.R.Civ.P. 55. Toward that end, the Court may anticipate a filing requesting the entry of a default judgment in the very near future and if additional information is needed, or deadlines set, plaintiff stands ready to set up a conference with the Court.

Sincerely,

/s/ David A. Weyrens
